

"Empowering Global Citizens for Global Change"

Recommended Schools for Global Students

*Trying to decide where to pursue your studies in the U.S. or Canada?
Let us help you make the right choice!*

MPOWER Financing continually evaluates all accredited colleges and universities in the U.S. and Canada to determine which schools offer the best outcomes for global citizens.

Based on a proprietary scoring algorithm that considers a variety of data points such as graduation rates, post-graduation employment rates and alumni earnings, **we believe that the following schools offer the best career prospects for students studying in North America.** That's why we currently offer financing to students at only the schools listed below.

We regularly add to our list of recommended universities, so be sure to check back to see what schools are added in the future.

If you have further questions, please call us at +1-202-417-3800 or +91-974-099-3115, or email us at mpower.me@mpowerfinancing.com.
